May 14, 2001

Sir:

In response to the outstanding Office Action dated January
12, 2001, please amend the above-referenced application as
follows:

IN THE CLAIMS

Please amend the claims as follows:

11. (Twice Amended) An information transmission device
for transmitting plural items of information via transmission
media to a plurality of information destination devices, said
information transmission device comprising:

storage means for storing said plural items of
information, and plural sets of data for respective ones of
said plural items of information, each one of said plural set
